**Appeal Reference: APP/Q2500/W/17/3181477**

Dear Mr Brown

**Town and Country Planning Act 1990  
Appeal by Veolia ES (UK) Limited  
Site Address: Albion Works, Long Leys Road, Lincoln LN1 1DS**

I write to confirm Veolia's intention to withdraw the above appeal with immediate effect.

Whilst Veolia maintains that the reason for refusal of the planning application is flawed as a matter of law and policy, it has considered further the concerns raised by residents within the immediate vicinity of the appeal site. Although Veolia has operated the existing facility for a number of years in accordance with all regulatory requirements and with minimal complaints from residents, and considers that the appeal proposals could be similarly operated, we acknowledge that the appeal has caused significant anxiety amongst our neighbours which we would wish to minimise.

Therefore after further review and following discussions with the planning authority the decision has been taken to withdraw the appeal and not to proceed with the current proposals at the present time. At this stage, no decision has been made as to whether further development proposals for the site will be formulated and whether any further planning application will be made.

A copy of this letter has also been sent to the local planning authority and the Rule 6(6) party.

Regards

Yours Sincerely

  
Counsel
