

Neighbourhood Plan Action Group - Vision Statement

(Adopted pro tem by LLRA Management Committee at meeting 20 June 2019; adapted as draft for approval by NAPG at meeting 27 June 2019.)

LLRA ADOPTED VISION STATEMENT

1 - PLACE

Over the next 20 years and beyond, **Long Leys** will continue to develop as an attractive, distinctive and principally residential area, surrounded by valued green areas supporting wildlife, with the feeling of a village connected to the city of Lincoln. It will set ever higher standards in innovative, sustainable, well serviced living, whilst retaining its unique qualities.

2 - PEOPLE

Long Leys will continue to enable residents and visitors to cooperate to enjoy an inclusive, diverse, supportive community; and to take pride in the continuing development of a safe, peaceful, and caring home for present and future generations.

Purpose of change: to make more explicit the 'hooks' that lead to health and fitness, activity in general (inc. cycling), supporting a community infrastructure (eg. a meeting hall, plus...), and the creation of a 'village centre' with all appropriate facilities (eg. retail).

1 - PLACE

Over the next 20 years and beyond, **Long Leys** aims to develop as an attractive, distinctive and predominantly residential area, with the feeling of a village, connected to the City of Lincoln. A centre will provide opportunities for retail and other service and social infrastructure, with safe traffic-free access and exercise routes, surrounded by valued green areas for recreation and supporting wildlife. It will set ever higher standards in innovative, sustainable living, whilst retaining its unique qualities.

2 - PEOPLE

Long Leys will enable residents and visitors to enjoy a diverse, active and supportive community spirit; and will take pride in the continuing development of a safe, peaceful, healthy and caring home for present and future generations.
